

* Wash your fins * Wasch Deine Flossen * Limpiate las manos *

Song-Text: Johnny Sharkfin

Lyrics by Taylor Smith

His name is Johnny Sharkfin
He lives out by the reef
You can see him swimming by
With his sharp and shiny teeth

He's the coolest shark around
The king of all the seas
He's got something to tell you
So listen if you please:

Refrain:

He always keeps his fins so clean
Not just at dinner time
Clean fins keep him healthy
He's always feeling fine

He loves to wash with lots of soap
For 30 seconds long
So wash your fins like Johnny
And you can sing this song

He loves to wash with lots of soap
For 30 seconds long
So wash your fins like Johnny
And you can sing this song
